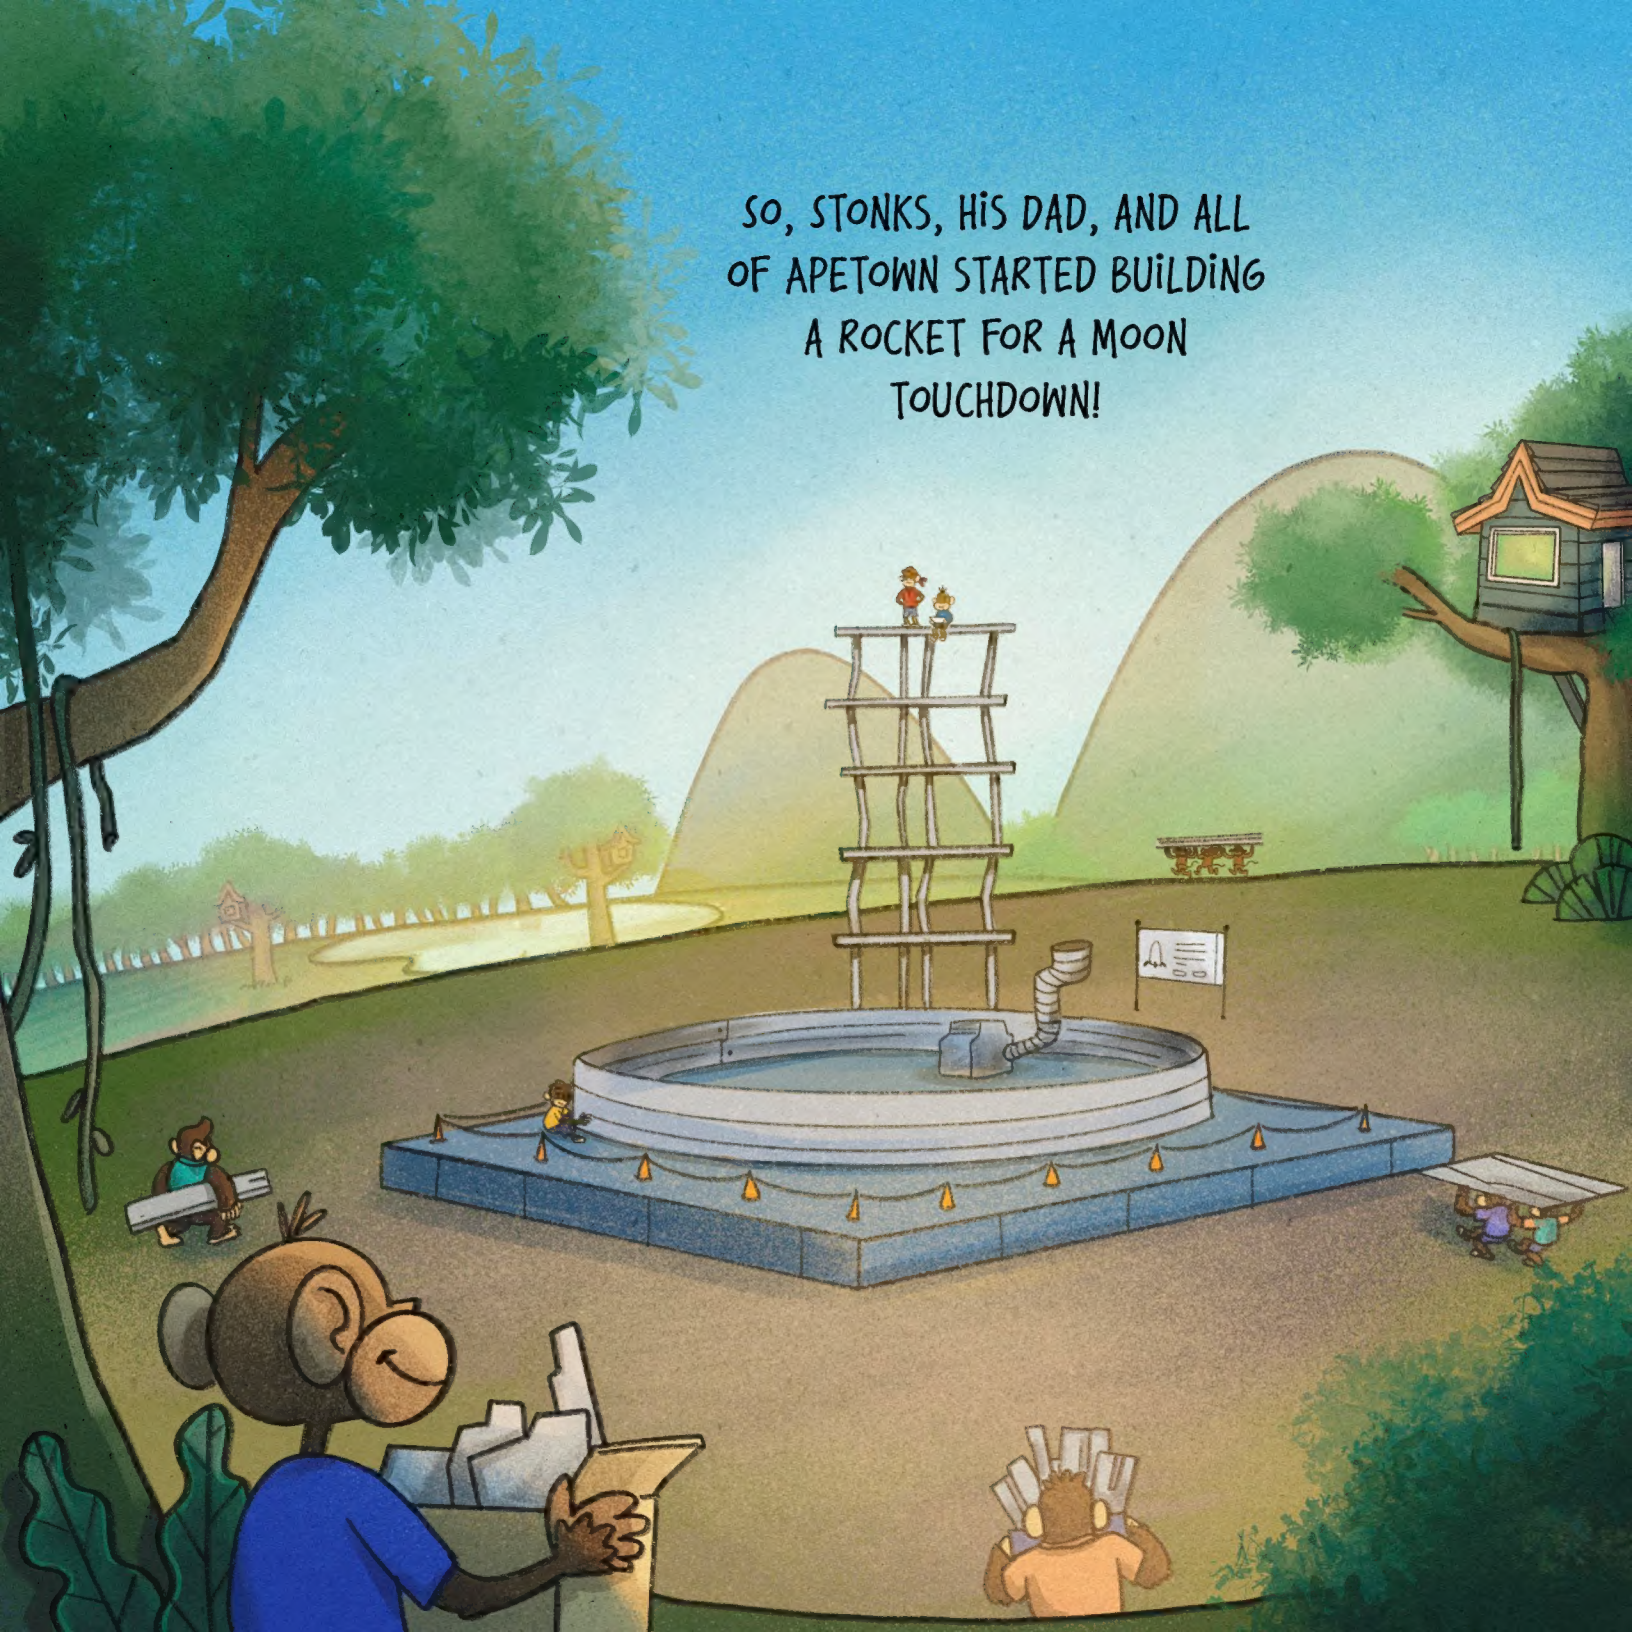
VISOEALE

STONKS OFTEN STARED AT THE MOON AT NIGHT. HE ASKED HIS DAD "WE CAN GO THERE SOMEDAY, RIGHT?"

FOR NOW, HEDGEHOGS ARE THE ONLY ONES THAT CAN PLAY ON THE MOON. BUT, LISTEN MY BOY: SOMEDAY, US APES WILL PLAY THERE SOON!
TENDIES

YOU SEE, HEDGEHOGS ARE THE ONLY ONES
THAT CAN AFFORD ROCKETS TO SPARE.
BUT, STONKS MY SON, JUST BECAUSE
THAT'S SO, DOESN'T MAKE IT FAIR.



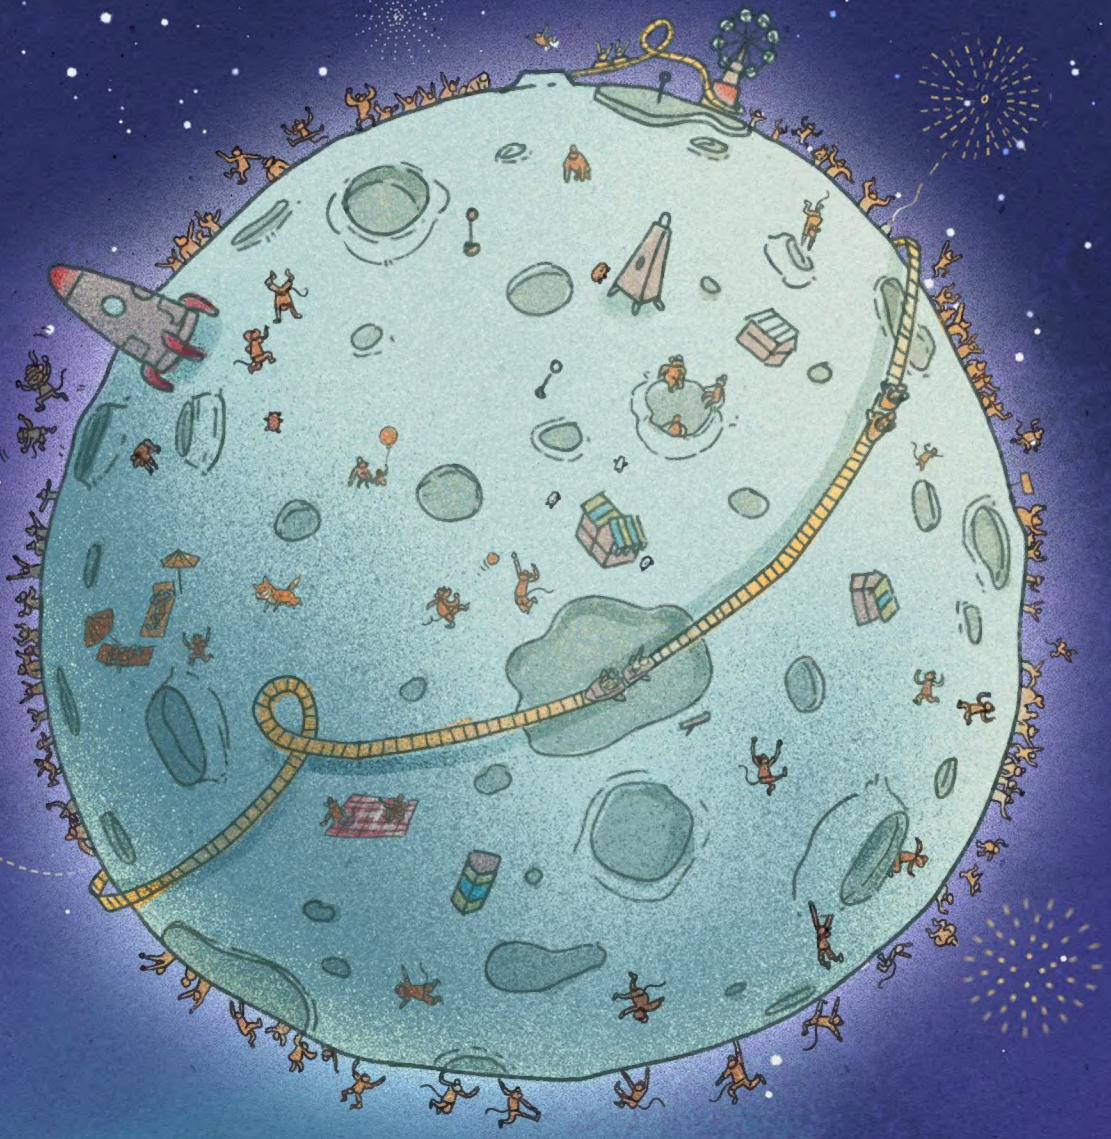
SO, STONKS, HIS DAD, AND ALL
OF APETOWN STARTED BUILDING
A ROCKET FOR A MOON
TOUCHDOWN!

FIRST, THEY NEEDED SOME BANANAS FOR HUNGRY APES AND DIAMOND GLOVES TO GIVE THE ROCKET ITS SHAPE.

SOON, THE ROCKET WAS READY TO BLAST. THEY WOULD GET TO THE MOON, AND THEY WOULD GET THERE FAST!

STONKS WAS SCARED AND ASKED HIS DAD WHY. "i KNOW WE'RE NOT CATS,BUT WERE APES MEANT TO FLY?"
"STONKS MY BOY, i BELIEVE iN YOU, AND SO DOES APETOWN! MY STONKS WAS NEVER MEANT TO STAY ON THE GROUND!"

GME
STONKS HIT THE BUTTON,
AND THE ROCKET DID SOAR!
HEDGEHOGS HAD NEVER
SEEN FLYING MONKEYS
BEFORE! THE MOON GOT
CLOSER, AND THEY
STARTED TO LAND. STONKS'
DAD GOT OUT AND
OFFERED HIS HAND.

"YOU MADE IT TO THE MOON MY BOY, LIKE I KNEW YOU ALWAYS WOULD." STONKS HUGGED HIS DAD AND SAID, "LET'S STAY HERE FOR GOOD!"


APES ON THE MOON...WHAT A WONDERFUL SIGHT! NOW, YOU WILL ALWAYS SEE STONKS WHEN YOU GAZE UP AT NIGHT!
